Self Review	
Student Name: Satyam Sharma	Role: Team Member
Student Number: s5330583	Grade [Out of 10]: 9
Comments: I believe I got this score because I have made quite a bit effort to communicate with groups and help my teammates with task as well as much as they needed a couple points are cut because I couldn't get my on task on time but a day late.	

Peer Review	
Student Name: Reem	Role: Team Member
Student Number:	Grade [Out of 10]: 10
Comments: I believe she has a contributed a lot in the milestone 1 and deserves this number as a requirement analysis she has made sure everything has aligned properly and done. He helped me and Luke as well in our parts and has communicated with group very well.	

Peer Review	
Student Name: Chaan	Role: project Manager
Student Number:	Grade [Out of 10]: 10
Comments: As a project manager she has completed her role gracefully including collection of all the data to gnat chart to compiling everything up. She has communicated well with team as well and helped with stuff they need and I believe this score is deserved for her.	

Peer Review	
Student Name: Luke	Role: Team Member
Student Number:	Grade [Out of 10]: 10
Comments: I believe he has completed his work properly, During the first milestone we didn't have much important things because we both out doing front end and back end development in milestone 2 still I believe he has communicated well enough attending all the meetings.
